

Medical Practice and Property - Close to Perth CBD - \$4,300,000

An excellent opportunity to acquire a well-established Practice Group and associated land and buildings. The Practice Group consists of a General Practice and a focus on Functional Medicine which has a corresponding Intravenous Vitamin Clinic and also sells supplements and vitamins.

Specific features of the Practice Group include:

- Desirable location
- AGPAL accredited (currently being undertaken)
- Established patient base
- Good working conditions in premises
- Experienced staff, business systems and procedures in place
- Opportunities and capacity for future growth

This could be an excellent buying opportunity for medical practice groups and owner/operators due to its size and future potential. There are a number of possibilities with this Practice.
