

Land Surveying Business Regional Location South East of Western Australia - NEW LISTING!

This is an excellent opportunity to acquire a well-established and profitable business specialising in land surveying services located in a popular regional town in the coastal South East of Western Australia. Over the years the business has built a solid reputation as a quality operator in the region and surrounding area. There is an established client base in place and plenty of potential and opportunity to develop this business further. The client relationships in place have resulted in ongoing work. The business comes with an experienced staff member, a list of plant & equipment, plus 2 vehicles, trailer and quadbike.

Specific features of the business include:

- Desirable location
- Established client base
- Opportunities for future growth
- Excellent reputation in the region and surrounds
- Strong profitability

The Vendor feels a new owner could potentially add further energy to the business and take it to a higher level. It could be an excellent bolt on for Perth based operation wanting to develop a stronger presence in the region. It could also be an ideal buying opportunity for an enthusiastic and experienced Surveyor wanting to commence their own business, and also looking for a lifestyle change.
