

Sales, Service, Repairs & Maintenance of Hydraulic Hoses & Fittings - Mid West Region

This is a rare opportunity to acquire an established business specialising in the sales, service, repairs and maintenance of hydraulic hoses in the Mid West region.

The primary focus of the business is:

- Hydraulic replacement and service at Original Equipment Manufacturer Quality Standard.
- Hose pressure - testing, tagging registration and certification.
- Hydraulic component system and cylinder sales and repairs.
- Oils, lubricants, and associated equipment.
- Brakeline equipment supply and service.

The business is experienced in hose servicing and repair across a range of industries from transport, agriculture, mining, construction, manufacturing, industrial, oil & gas, through to marine equipment. The business offers their products and services to both small businesses as well as large businesses.

The features of the business are:

- There is a loyal, quality and stable customer base
- Established for many years and has a strong brand and reputation
- Strong presence in the Mid West region
