

Commercial Refrigeration Business - Service, Repairs and Sales

This business specialises in the service, repair and sales of commercial refrigeration including commercial fridges, freezers, cool rooms, blast freezer rooms, deli cabinets, cake displays, counter top chillers and ice machines. They provide their services for one off breakdowns, ongoing service contracts and preventative maintenance.

Since establishment, the business has built a solid reputation as a quality and reliable operator. It has a contract in place with one of its larger clients and longstanding relationships in place with other clients. The repair and maintenance type work undertaken by the business has provided steady and ongoing work for the business. The business operates from a leased premises. They have a fleet of vehicles and the necessary plant and equipment to operate this type of business.

Both Owners work in the business, and one Owner (who undertakes the technical work) is willing to stay on as an employee for the new Owner. The business also comes with other experienced and qualified staff employed to undertake the work.

The benefits of this business include, scope for further development, an established client base, experienced staff and a good reputation with clients. It could be an excellent bolt on for an aligned company with an interest in entering this field or an Eastern States operation wanting to develop a stronger presence here in Western Australia. The business could also be suitable for someone wanting a "stand-alone" profitable business in this industry which they could potentially grow and expand further. This opportunity could be a very good strategic acquisition for the right purchaser or business group.

Asking Price includes Vehicles, Plant and Equipment, Stock and Goodwill.
