

## Optometry Practice - Broome

This is an excellent opportunity to acquire a well-established Optometry Practice located in the popular regional town of Broome. Over the years the Practice has built a solid reputation as a quality operator in the region. There is an established patient base in place and plenty of potential and opportunity to develop this practice further. The Optometry Practice is open 5.5 days per week, the Memorandum contains a list of plant, equipment, fixtures and fittings included in the business.

Specific features of the business include:

- Desirable location
- Established patient base
- Great work life balance as current owner only works in the practice circa 44 weeks per year
- Opportunities and capacity for future growth
- Excellent reputation in the Community

The Vendor feels an owner operator could potentially add value to the business and take it to a higher level.
