

Hire and Sale of Sound, Lighting, AV and Staging Equipment Business

This Western Australian business offers a production, wholesale, retail, hire and consultancy service specialising in all facets of the entertainment industry. It is an excellent opportunity to acquire a long established business specialising in the sale and hire of sound, lighting, audio visual and staging equipment for a range of events, plus there is also a stage makeup division.

The business provides its products and services to many different markets including Television, Theatre, Schools, Councils, Entertainment Industry Groups, Churches, Shopping Centres, plus they supply to Public, Private and Corporate Groups. The business has built a solid reputation as a quality and reliable operator in the industry and has developed a strong customer base over the many years the business has been in operation.

The benefits of this business include, scope for further development, an established customer base, experienced staff and a long-standing reputation with customers. There is a comprehensive list of plant and equipment which comes with the business. This has been refined and improved over the many years the business has been in operation.

It could be an excellent bolt on for an aligned business with an interest in entering this field or an Eastern States operation wanting to develop a stronger presence here in Western Australia. The business could also be suitable for someone wanting a business in this industry which they could potentially grow and expand further.

Asking Price

\$350,000 Vehicles, Plant and Equipment and Hire Equipment

\$150,000 Stock (estimate)

The Vendor advises the cost to replicate this business is higher than the asking price, because the cost to acquire the vehicles plant & equipment and hire equipment alone is more than the asking price.
