

Compressed Air Business - Service and Equipment Sales

This is an excellent opportunity to acquire a well established business specialising in the service, repair and sales of compressed air equipment. Since establishment, the business has built a solid reputation as a quality and reliable operator. The service, repair and maintenance type work undertaken by the business has provided steady and ongoing work for the business. The business also comes with experienced and qualified staff employed to undertake the work, together with the necessary vehicles, plant and equipment to operate this type of business. Industries and customers serviced include the fuel industry, tyre industry, car dealerships, mechanical workshops, Government Departments, mining industry and the manufacturing industry. The business currently employs 1 x Owner, 3 x Tradesmen and 1 x Receptionist/Administrator/Bookkeeper.

The benefits of this business include, scope for further development, an established client base, experienced staff and a good reputation with clients. It could be an excellent bolt on for an aligned company with an interest in entering this field or an Eastern States operation wanting to develop a stronger presence here in Western Australia. The business could also be suitable for someone wanting a stand-alone business in this industry which they could potentially grow and expand further. This opportunity could be a very good strategic acquisition for the right purchaser or business group.

The business operates from a premises which has an office, warehouse and workshop space. Should the potential purchaser wish to acquire the business, then relocate it to their existing premises, then this is possible, as the Sellers own the property.

Asking Price includes Vehicles, Plant & Equipment (\$20,000), Stock (\$90,000 estimate) and Goodwill via Expressions of Interest.
